Notwithstanding the priorities set out in this Agreement, (and applicable only to the Creditor of a Financial Institution), the Administrator acknowledges that the Producer will operate bank accounts with the Creditor into which proceeds of property subject to the Administrator's security interest may be deposited. With the exception of any monies deposited in any accounts designated as trust accounts by the Producer for the benefit of the Administrator, the Creditor shall have no obligation to the Administrator with respect to any monies in any other account of the Producer maintained with the Creditor, or any monies that may be deposited therein or disbursed from any such other accounts, except for monies deposited therein after the Creditor has received notice from the Administrator and that the Administrator is thereafter exercising its rights in and to proceeds of the property subject to its Security. Prior to proceeding to enforce its security, the Administrator or the Creditor, or Input Supplier, as the case may be, shall provide reasonable prior written notice of such enforcement to the other of them.

For the purposes of giving effect to any of the Producer's undertakings under this Priority Agreement, the Producer shall make, execute and deliver to the Creditor, the Input Supplier (as the case may be) or the Administrator, any documents or Agreements as the BRM Program Administrator may reasonably request.
